A Thou - sand years, a thou - sand more, A
thou - sand times a mil - li - on doors to e - ter - ni - ty
I may have lived a thou - sand lives, a thou - sand times, An
end - less tur - ning stair - way climbs To a to - wer of souls,
If it takes an - o - ther thou - sand years, a thou - sand wars, The
to - wers rise to num - ber - less floors in space
I could shed an - o - ther mil - lion tears, a mil - lion breaths, A
mil - lion names but on - ly one truth to face

A million roads, a million fears
A million suns, ten million years of uncertainty
I could speak a million lies, a million songs,
A million rights, a million wrongs in this balance of time

But if there was a single truth, a single light
A single thought, a singular touch of grace
Then following this single point, this single flame
This single haunted memory of your face
