Repeat these 8 rows as often as it is necessary for you to arrive at a height from 49 to 50 cms. Bind off. Bring in the threads and cut them to short.

For the finish: either you sew discreetly the headband, or you position your buttons (2, 3 or 4 according to your taste) so that they correspond to holes left by the yarn over in the motive for leaves. You can also put buttons, and sew the headband all the same.
