For our readers in English:

Some American cousins expressed their disappointment at being told that the French version of my novel would not be translated. They said they would like to have the novel printed in English, thinking it will be a "souvenir" of their roots to pass on to their descendants. My cousins, Catherine Tomat and Judith Phelan, decided to translate my novel for their cousins of the English language. **If you would be interested in ordering the novel in English please send your request before June 1 of 2013 to our secretary Catherine Tomat at her e-mail address: kathryntomat@orange.fr or to my address krismad@wanadoo.fr**

Price = 22.50 Euros, postage paid (Payment by Credit card without bank charges in France: <https://www.apayer.fr/ASSIFARNOLD>) or by Paypal to our secretary's Paypal address: kathryntomat@orange.fr) Payment is due with your order form.

If a minimum of 10 are interested in purchasing the English version, I will submit an order on June 1 of 2013. If the 10 order minimum is not met, your payment will be refunded. Thank you.
