

# HIS cheche

By Mrs Purple

**A very easy, large crochet cheche for men.**

**Wool:** Alpaca, from la Droguerie, « Avec la Mer du Nord » color

**Requirement:** a 4,5 hook and about 11oz or 1,150yd ( 300 g ) alpaca

**Size** (after blocking): about 52x52in

**Abbreviations:** - **st:**stitch - **rd:** round - **tc:** triple or treble crochet  
- **ch:** chain - **sc:** single crochet

## The Cheche:

Cast on a 289 sts chain. Work 4 ch more (= equivalent of a tc), then another 3 ch (to create the « hole ») Make 1 tc in the 289<sup>th</sup> st (7 sts ahead) and 3ch. Carry on making 1 tc every 4 ch, alternating 1 tc and 3 ch. You'll end up with a 72 squares /holes « ladder ».

At the end of the 1<sup>st</sup> rd, make 7 ch and turn your work the other way round.

Make 72 rds.

All around the cheche, work 3 rds of sc. Distribute the sc as you wish, but remember that the cheche will be much slackened after blocking it. Work a slip st into the next st and fasten off, leaving a tail end.

Block the cheche ( = soak it, roll and handspin it carefully in a big towel, pin it minutely on a mattress or other, allow it to dry for 3 days)

## The Tassels:

- Cut 2 pieces of card to wrap the yarn around (about 1,7in wide)
- Wrap the yarn 13 times around the cards and cut the thread.
- Thread another piece of yarn under the top end of the tassel, between the yarn and the card. Tie to gather the 13 wraps of yarn.
- Cut the yarn at the bottom edge, between the 2 cards.
- Fold the threads into 2, the knot being in the middle, at the top. With a sewing needle, push the long end down through the center of the tassel.
- Wrap this yarn 4 times around the threads so as to form the head of the tassel. Make sure it is very tight.
- Thread the end (that is still on the needle) upward, to the top of the tassel and make a knot with the other thread that has been left.
- With the needle again, push down the 2 ends towards the center.
- Trim the bottom to neaten, try and make it round.

Make 72 tassels

With a thin sewing cord, fasten a tassel at each corner and then 1 every 4 tc.

I think sewing the tassel with the alpaca is a bad idea because it isn't resistant enough and the yarn remains stiff, it's difficult to tie it down.

So, proud of yourself?
